# Hidden Features

Send Test Invites:

Located: In the right corner of the Distribution Manager Tab

Use: Allows you to send out sample invites to get feedback and review your changes without locking your survey to edits.

Quick Send:

Located: In the upper right corner of the invite via email wizard

Use: allows you to skip over some of the steps to quickly send out live invites to your survey

* Please make sure you have customized your invite before using this feature

Go to:

Located: In the Home tab, to the right of all your active surveys

Use: Allows you to quickly view that specific survey in each of our tabs.

SM- Survey Manager
DM- Distribution manager
